

Information for Freshman Fun Day

Freshman Fun Day begins Friday, September 4th after school and will run through the home football game that evening.

Freshmen are strongly encouraged, though not required, to attend.

The day will include a bash ball tournament, a pool tournament, a chance to watch the freshman football team in action in the SLUH stadium, a rock paper scissors tournament and a class BBQ before the traditional "Running of the Bills" begins shortly before the varsity football game starts.

Freshman participating in a fall sport will be able to participate after their respective sports are finished with their games or practices (they will miss a portion of the day, but not all of it).

All freshmen will be encouraged to participate in the "Running of the Bills" which will be lead by STUCO. Freshman and their Senior leaders will be painted in blue and run into the stadium at the start of the game. The painting should begin around 6:15 on the field in front of the Danis Field House. The Running will begin at the entrance to the Drury Plaza shortly before kickoff.

Freshmen will receive a meal and free admission to the game courtesy of STUCO.

Freshmen will be allowed back in the building BRIEFLY to retrieve their books for the weekend at the end of the game.

Freshmen will most likely still have paint on them when they are ready to be picked up at the end of the game. Families and rides should plan accordingly.
