

Band C Harriers

The B and C Harriers romped on the competition yesterday at the Prep Seminary Invitational placing 1st in both the freshman and sophomore races.

The 3.1 mile course winded around the Cardinal Glennon Seminary campus. Many rolling hills and rough terrain made the course especially challenging. Despite these factors, the current B and C Harrier 1st place finishes reflect the great success SLUH has had in this invitational in past years.

The B Harriers were led by Shawn Halley whose time of 18:20 gave him 2nd place just 36 seconds behind the 1st place finisher. Behind Shawn was Jim Spies who placed 4th with a time of 18:43. Kurt Moellering took 8th (18:56), Tim Vatterott finished 12th (19:43), and Chris Boyd ran to 14th place with a time of 19:52. SLUH had 6 finishers in the top 20 medalists, and had a team score of 22 points. The second place team, Priory, was far behind with 74 points.

The C team ran an equally impressive race with a whole trio of runners finishing together. Josh Wheeler finished 6th (20:01), Chris Schmidt finished 7th (20:07), and John Dwyer tailed the pack with an 8th place time of 20:10. Mike Kenny and John Brooks finished together in 15th and 16th place respectively. Kenny's time was 20:41 and Brooks' was 20:48.

These performances certainly shows the immense talent in this young squad. With these solid times and close-knit finishes, we will undoubtedly see more of the B and C Harriers in future meets.

B-Footbills fall to Belleville East and Pattonville

SLUH's B-football squad headed to Illinois two weeks ago looking for its second win of the year, but it came out licking the wounds of a 34-2 drubbing at the hands of Belleville East. The team then dropped its third game of the year to Pattonville last Friday 27-7.

Pattonville's relentless offense took advantage of every Jr. Bill mistake and led the Pirates to dominate in their 27-7 victory. The game opened on a gloomy note, as rain and a chilling breeze forced the two teams to modify their game plans. The rain proved to be a factor in both teams' game plans by causing many passes to dribble out of waiting hands.

The two defenses kept the scoring drives at a halt early on. A number of brilliant defensive plays by Ed Hurley helped the Jr. Bills hold Pattonville scoreless. However, both defenses started to slip, and big gains by players such as Brian Garbacz became characteristic. The Pattonville attack finally punched a hole in the brick wall of SLUH's defense and gave Pattonville a 6-0 lead at halftime.

The second half began under more promising conditions as the rain and wind subsided. SLUH's offense kicked into gear, and a number of good runs were made. Unfortunately, Pattonville was not fazed by the Bill flurry, and after getting the ball back, scored another touchdown for a 13-0 lead. The Jr. Bills needed a quick score if they were to have a chance at success.

The SLUH offense provided this chance, as Garbacz broke another long gainer. Garbacz punched the ball into the endzone a few plays later. After Chris Jermak's PAT sailed through the uprights, the Pattonville lead was cut to six.

The momentary counterattack was not to last. Pattonville countered the Bills' TD with two of its own. Its offense was helped by a number of long passes and a crumbling SLUH defense. At the final whistle, the score was 27-7, the third loss for the B-team. Said linebacker Sean Cahill, "We had to play our game. We played theirs, and we got beat."

Polo

(continued from page 5)

one goal each from Mike Kelly and John Guerrerio.

On Friday, the Polobills traveled to parkway North to trounce the formerly undefeated Vikings. Jeff Zimmerman's hat trick, 2 goals apiece from Anthony Zerillo and half of the "Italian Regime" (Dave DiMarco), and one goal from Ted and Paul Baudendistel, senior John Lake, and the other half (John Guerrerio) composed the Aquajocks' 11 goals, as they held the Vikings to just 2.

Wednesday night, the Aquajocks pummelled Parkway Central 14-1. Team scoring leader Jeff Zimmerman put in 3 goals, raising his total to 23. Junior John Guerrerio's hat trick gave him 12, second on the team. Ted Baudendistel, Mike Kelly, Anthony Zerillo, and John Lake chipped in 2, 2, 3, and 1 respectively as the polobills scored in double digits for the sixth time this year.

In their last five games, the Aquajocks have outscored their opponents

64 to 8. Their game average now stands at 13 to 3.5. What sets the Polobills apart from other schools is not its consistent offense; rather, it is the stellar defense, which has allowed 1.6 goals per game

since September 15. Coach Busenhart has called it "the best defense I have ever seen my teams play."

The Polobills play tonight and Saturday night at Parkway South as they seek to win a tournament that even last year's state championship team failed to do.
