St. Louis University High School

About the Course

The ACT Prep Course is an intensive course devoted to covering all aspects of the ACT test, including test-taking skills, reading comprehension skills, grammar/vocabulary, and a review of concepts needed for content.

The weekend options are in person and the weekday option is virtual.

Full-length practice exams will be given for the ACT test, which will be analyzed to indicate specific areas of strengths and weaknesses for each student individually and for the class as a whole. The course includes over twenty hours of instruction. The fee for this year's course is \$425.00. **Your cancelled check will serve as your receipt.** Classes will close when filled; please register early to reserve your place.

About the Materials

The materials used in the course are the ACT tests sanctioned by the makers of the ACT test.
