**UNIVERSITY HIGH**

St. Louis University High School  
invites applications for the following  
position:

**Substitute Biology Teacher**

St. Louis University High is a Catholic, Jesuit, college preparatory school for young men committed to its presence in the city of St. Louis and dedicated to building Christ's kingdom of truth, justice, love and peace. Founded in 1818, the school strives to serve an economically, socially and geographically diverse student population within the St. Louis metropolitan area. Academic excellence is a trademark of the school. We seek men and women of faith proficient in their fields and committed to leading students in co-curricular and pastoral ministry activities. The school expects faculty and staff to participate in spiritual formation programs, retreats, and Ignatian formation in education and spirituality.

The person hired for this position will step into 3 freshman level Biology courses for a teacher on leave. The position is projected to begin at the beginning of December and end at the end of February. The candidate needs to be flexible about the exact start and end dates. A degree in Biology is preferred along with teaching experience in a lab-based curriculum or education and training for that context. This teacher will be supported by a team of colleagues and well-developed lessons and materials. It is an ideal placement for an aspiring teacher seeking to add a formative experience at an outstanding school to their resume and credentials.

**APPLICATION PROCESS**

Please send a letter indicating your interest and briefly summarizing your qualifications and experience, along with a comprehensive resume, to Mrs. Lori Figge (lfigge@sluh.org) in the Office of the Principal. Digital submissions preferred. **Priority will be given to submissions received before October 1, 2019.** This position will close as soon as a qualified candidate is hired.

*Thank you for your interest in St. Louis University High School.*
