

Meal Card Deposits

Food Service Consultants is now accepting meal card payments through PayPal. The cost of using Paypal is 2.9% per transaction plus an amount determined by your bank. These fees will be deducted from the amount you have sent in and the remainder will be put on your son's meal card. Food Service Consultants is not charging for this payment convenience (all charges come from PayPal and your bank). If you do not have a PayPal account you will need to set up your own PayPal account first. The address for SLUH is fsc@sluh.org. Please remember to put your son's name in the subject box under "email recipient." Any other questions can be directed to foodservice@sluh.org. We hope that you will find this as an added convenience.
