

ST. LOUIS
UNIVERSITY HIGH

St. Louis University High School
invites applications for the following
position:

Science Teacher in Physics

St. Louis University High is a Catholic, Jesuit, college preparatory school for young men committed to its presence in the city of St. Louis and dedicated to building Christ's kingdom of truth, justice, love and peace. Founded in 1818, the school strives to serve an economically, socially and geographically diverse student population within the St. Louis metropolitan area. Academic excellence is a trademark of the school. We seek men and women of faith proficient in their fields and committed to leading students in co-curricular and pastoral ministry activities. The school expects faculty and staff to participate in spiritual formation programs, retreats, and Ignatian formation in education and spirituality.

The person hired for this position will teach a fulltime load of classes in our Science Department with a principal focus in Physics. Ideal candidates will demonstrate interest in and capacity for working with the SLUH Physics team in realizing our curricular goals, including the integration of the new SLUH Innovation Lab into lessons, activities and projects.

Certification in Physics, a Master's degree and teaching experience are preferred.

Candidates will be expected to make a vibrant contribution to the school's co-curricular program in support of our mission of the educational and spiritual formation for young men.

APPLICATION PROCESS

Please send a letter indicating your interest and briefly summarizing your qualifications and experience, along with a comprehensive resume, to Mrs. Lori Figge (lfigge@sluh.org) in the Office of the Principal. Digital submissions preferred. **Priority will be given to submissions received before March 1, 2019.**

Thank you for your interest in St. Louis University High School.
