Support the Scholarship Program at SLUH!

Now in its 6th year, the SLUH Scholarship Golf Classic continues to be a vital part of St. Louis University High. In just five years time, the event has **raised over \$1 million for the scholarship program** at SLUH.

Your continued support allows SLUH to admit and serve qualified young men based on their ability to succeed and not their families' economic circumstances. SLUH conducts needs-blind admission and does not cap its financial aid levels. **40% of students are on scholarship, and SLUH projects to provide more than \$6.2 million in total aid for the 2017-18 school year.** This accessibility makes the school unique - not only in St. Louis but in private education on a broad scale.

ABOUT SLUH

Since 1818, SLUH has inspired its students to accept extraordinary challenges, preparing them to be *Men for Others* and leaders in their communities. The school's curriculum instills not only the knowledge, but also character formation, and moral and spiritual values needed to prepare young men for a life of high achievement, community service, and personal fulfillment.

SLUH's scholarship program enables the school to maintain a student body that reflects the geographic, socio-economic,

and ethnic diversity of the area. Jr. Billikens reside in 90 different zip codes on both sides of the Mississippi River. Some drive as far as 50 miles each day to attend school, while others live in the shadow of the Arch. These students represent 170 feeder schools throughout the area!

Generous support from individuals and corporations is required to continue this proud tradition of a socio-economically diverse student body and a needs-blind admission process.

**Thank you for your support of SLUH,
the Scholarship Golf Classic,
and the young men who walk the halls each day!**

"I am grateful for the amazing education SLUH has provided and so thankful to you all for your support, as without financial aid, I couldn't have even attended."

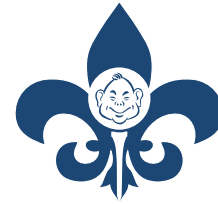

- Edward, Scholarship Recipient
